NOTES

| | |
|---|---|
| 1 | The "POSTED" column represents the year of initial posting to RAAFTFV or 35SQN. Where a specific date is shown, this indicates that the person has crewed A4-173 only on that date. |
| 2 | All mustering refer to RAAFTFV or 35SQN unless other units are indicated. |
| 3 | Where not derived from the Detail of Operations form, initials, rank and mustering are obtained from the DVA Nominal Roll. |
| 4 | Note that this list comprises only personnel known to have crewed A4-173 in Vietnam. Surprisingly, there are pilots known to have served in 35SQN who do not appear on this list. Either they were with the Squadron when A4-173 was out of service or their period of service corresponds with missing or illegible records. Names will be added retrospectively if supported by log book entries. |
| 5 | The compiler apologises for any promotions not reflected in the table. |
| 6 | This list was compiled from the Unit History Sheet, Detail of Operations for RAAF Transport Flight, Vietnam and No 35 Squadron RAAF held by the National Archives of Australia, Series number A9186, RAAF Unit History sheets [Operations Record Book - Forms A50 and A51] Number 35 Squadron Sep 64 - Jan 72. Transcribed by Ron Cuskelly in March 2021. |
